**PUBLIC NOTICE OF ISSUANCE OF DRAFT AIR QUALITY
OPERATING PERMIT
ARM5017-047**

1. On December 14, 2005, the Department of Environmental Quality (Department) received a complete application for Title V air quality operating permit renewal from Graymont Western U.S., Inc. – Indian Creek (Graymont). The application was given number OP1554-04. The permittee's mailing address is P.O. Box 550, Townsend, MT 59644. The facility location is 4.5 miles west of Townsend, Montana, on Indian Creek Road within the SW¼ of Section 28, Township 7 North, Range 1 East, in Broadwater County, Montana.
2. The draft operating permit required by ARM Title 17, Chapter 8, Subchapter 12, Operating Permit Program will be issued to the applicant on October 20, 2006.
3. The renewed operating permit will allow for continued operation of the lime manufacturing plant in accordance with the requirements of ARM, Title 17, Chapter 8, Subchapter 12, and incorporates a Compliance Assurance Monitoring (CAM) Plan for particulate emissions resulting from lime kiln operations.
4. Any member of the public desiring to comment must submit their comments to the Department at the Department of Environmental Quality, Permitting and Compliance Division, Attn. Air Quality Permitting Supervisor, P.O. Box 200901, Helena, Montana 59620-0901. Comments may address the draft permit or information submitted by the applicant. In order to be considered, the comments must be received within the 30-day public comment period, which is from October 20, 2006, through November 20, 2006. Copies of the application and the draft operating permit may be inspected at the Department's office in Helena. Contact the permit writer, M. Eric Merchant, by telephone at (406) 444-1457 or by email at emerchant@mt.gov, or the Department Branch Office nearest the source, with specific questions relating to this draft operating permit.
5. Any member of the public desiring to request a public hearing must submit a written request to the Department at the above address. The request must be received within the 30-day public comment period.
6. The Department intends to issue the proposed operating permit after the comment period has expired and after any public hearing which might occur. A copy of the proposed operating permit may be obtained at the above address. After the 45-day EPA review period, the Department intends to issue a decision on the operating permit. The permit does not become final and effective until 30 days after the decision is issued by the Department. A copy of the final operating permit may be obtained at the above address.
7. Any person jointly or severally adversely affected by the Department decision may request a hearing appealing the operating permit before the Montana Board of Environmental Review. Any appeal must be filed within 30 days after the Department issues the decision. The request for a hearing shall contain an affidavit setting forth the grounds for the request and shall be submitted in triplicate to: Chairman, Board of Environmental Review, P.O. Box 200901, Helena, Montana 59620. Any hearing will be held under the provisions of the Montana Administrative Procedures Act.
